# Authorization Form

## 1. Welcome:

We welcome you to our specialty practice of endocrinology. In our effort to provide quality healthcare, it is important to maintain a consistent patient-physician working relationship. For this reason, as endocrine physicians, we expect that all our patients be diligent in keeping all of their scheduled appointments. Endocrine problems require on going care and failure to do so may result in complications which can be irreversible. Continuity of care is essential in the successful management of endocrine diseases. Therefore, failure to maintain this relationship by consistently missing scheduled follow up appointments will result in discharge from this practice. I have read and understand my obligation to maintain the quality of my healthcare and understand that if I consistently miss scheduled follow up appointments recommended by my endocrinologist that the consequence will result in discharge from Northeast Florida Endocrine & Diabetes Associates.
